# URBAN Series

Scomadi Urban 200i

The first model inspired by Ananda Everingham who's passion for this scooter involved his personal design input. With modern technology and increased power, you will feel the difference to other AC models.

Scomadi®  
*Technica 200i*

# ADVENTURE Series

Scomadi Adventure 200i

The second model inspired by Ananda Everingham. Ready to cope with adverse conditions on or off road. Using the new 200i AC motor, with good range from the 11 litre fuel tank. A new concept from the original. Tough with attitude to suit the adventurous rider.

Come and choose to be the owner of a Scomadi scooter.
