REDEFINING THE CLASSIC SCOOTER

Technica 125i

FEEL MORE CONFIDENT DURING YOUR RIDING EXPERIENCE WITH SPECIAL CUSTOMISED SUSPENSION FROM 'OKD'

SUPERIOR DRIVING POWER NO MATTER HOW FAR YOU GO

A powerful design inspired from the legendary Turismo Technica 125i model. Combined with a unique side cover, giving the modern classic a sporting variation

THE STORY

An inspiration by two Internationally recognised pioneers of the scooter industry, comes a perfect blend of iconic style and modern technology by Mr. Frank Sanderson and Mr. Paul Melici

Scomadi scooters have been recognised by scooter enthusiasts from all over the world. Our scooters are aimed at providing a new era in scootering for followers of iconic Italian design, underpinned by outstanding performance and the reliability and safety of a modern motorcycle. Holders of a world record in 125 class. It's an exciting time to be
