Projector headlights, integrated flashers

Take one look at the new face, and you'll know that this could only ever be TMAX Tech MAX! Its slimmer dual headlights with integrated flashers give a more aggressive look, while the new projector design with a mono-focus lens generates a powerful beam. And to emphasize this iconic sport scooter's dynamic new looks there's an all-new taillight featuring a T-shaped design with integrated flasher

Connected TFT screen, full-map navigation

Operated by a simple joystick, the sophisticated connected full-colour 7-inch TFT screen features a choice of three display styles. Through Yamaha's MyRide App you can access MyRide - Link that enables the connection with the vehicle, giving access to your smartphone for music, weather, calls ** and notifications. Full-map Garmin Navigation* makes every journey easier - while texts can be displayed when your TMAX Tech MAX is parked. (* Full-map Garmin Navigation requires a subscription service agreement and is not offered in all countries. Some navigation features are not available in all countries, please check with Garmin for availability.)

Powerful 560cc EURO5 engine

The powerful 560cc EURO5 engine features a unique and compact design that uses a 360 degree crank with a horizontally opposed reciprocating piston balancer for extremely sporty performance together with a high-efficiency CVT drive system for outstandingly smooth running. And to heighten your riding excitement the carefully designed intake and exhaust systems produce a deep and pure 'tuned' sound that is distinctively TMAX Tech MAX!

MAX

SERIES

Dynamic sporty body design

TMAX Tech MAX design moves one step closer to the supersport motorcycle world with its aerodynamic body. Slimmer dual LED headlights and front wings with large air intakes as well as boomerang side covers are more TMAX Tech MAX than ever- and lightweight Spin Forged wheels and forged aluminium handlebars underline this sport scooter's premium specification.

Electrically adjustable screen

The adjustable windscreen features a centre air intake duct that contributes towards the increased level of comfort by reducing pressure on your upper body, especially at higher speeds. This new design also ensures better acoustics when you're using a smartphone linked to the 7-inch TFT full-colour display, and the TMAX Tech MAX screen can be adjusted electrically using a handlebar mounted switch.
