

500

Happy to meet you both,
Fiat 500 and Fiat 500C!

Good things come in small packages!
The Fiat 500 is a car with more than
50 years of history behind it,
offering the best in terms of
technology, onboard comfort and
environmentally friendly solutions.
Now introducing the new
convertible Fiat 500C.

Be happy, be stylish!

How can you fail to notice
every time it goes by?
The unique style of Fiat 500
is meant to be seen and enjoyed,
again and again. Outside,
inside, in every little
detail.

The sky travels with you!

With such a fun, carefree car, how can you resist opening up to the world above? The convertible

Fiat 500C lets you open up and let the sunshine in along every road you travel.

Always carefree and different!

Everything in the Fiat 500 is designed to ensure you can enjoy every trip, carefree. With plenty of colors and customizing options available, personalization is also your absolute freedom!
