CLASSY UTILITY VEHICLE

korando

Evolution and Refinement

Korando has taken the SUV concept to new heights in order to accommodate new needs and preferences in the automotive marketplace. This vehicle boasts an elegant design with full body and curvaceous lines that produce a beauty of timeless quality.

The Urban Classic

Korando stands proud and elegant. The outstanding utility and performance are everything you would ever want in an SUV.

Smooth and Sleek

The gracefully flowing silhouette features a blend of line and character lines in harmonious balance to provide a reassuring sense of stability.
The wheel arches add glamour, while the 18" silver wheels accentuate sportiness. The result is in a full bodied masterpiece that reinterprets the definition of urban chic.

RADIATOR GRILLE
mesh type radiator grille shows sporty front look

TWO-TONE BUMPER
chrome accented two-toned bumper well matches with its front styling

HYBRID BLADE WIPERS
contemporary looking hybrid blade wipers add a stylish finish

ROOF RAILS
they add robust look of original SUV.

TAILGATE GARNISH
chrome inserted tailgate garnish looks luxurious.

DUAL TAIL PIPE
chrome plated dual tail pipe enhances rear styling with sporty look.

Aesthetics in Detail

The side character line extends to the rear, and reflectors match the two-toned bumper. Such finishing touches enhance the dynamic and luxurious effect, making the Korando stand out proudly and prominently in any crowd.

HEAD LAMP
Harmonises with the dynamic lines.

FOG LAMP
Matches with the two-toned bumper to maintain design consistency.

LED TURN SIGNAL LAMP
gives more-elegant appearance.

MIRROR COMBINE LIGHT
ensures driver's safety while getting in and out of the vehicle by illuminating the surrounding area.

REAR COMBINATION LAMP
shows its unique refined curves.

LED HIGH MOUNTED STOP LAMP
harmonised with body coloured rear spoiler.

Clean and Ergonomic

The interior is comfortable and neat, while the driver's space is laid out for maximum utility and convenience. The switches and the gear knob have been treated with antibacterial coatings as well. As a result, operating the Korando is 'safe' easy and pleasant.

SUPER VISION CLUSTER

GAUGE CLUSTER

HEATED STEERING WHEEL

2 DIN AUDIO SYSTEM WITH MP3 AND CD PLAYERS

RDS AUDIO SYSTEM

AUDIO REMOTE CONTROL SWITCH WITH BLUETOOTH HANDS FREE

Functional and Flexible

All seats are heated and recline to ensure the comfort of the driver and passengers alike. The rear seats fold multiple ways to maximize vehicular utility, while various trays and compartments are built in to keep cargo secure and well organized.

SUV Redefined

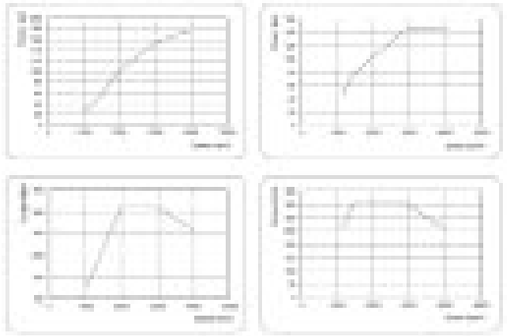

Petrol and Diesel : Great Options Either Way

The fuel efficiency of the e-XDi200 diesel has been enhanced, and the e-XGi200 petrol is EURO 5 compliant. These powerful yet cleaner-running engines provide the dynamic performance and the eco-friendliness that make the Korando such an excellent choice.

Now, the automatic transmission is available with the petrol engine, too!

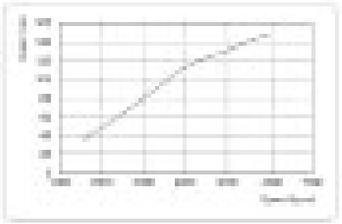

e-XDi200 diesel engine

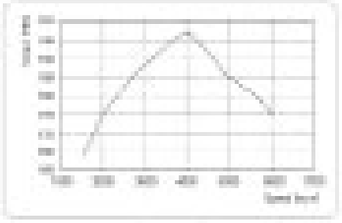

175ps/ 149ps

e-XGi200 petrol engine

149ps

TIPTRONIC UP MANUAL MODE

Switches are conveniently located on both the gearshift knob and steering wheel for you to shift up/down manually for a sportier driving sensation.

6-SPEED AUTOMATIC TRANSMISSION

6 Tronic 6-speed automatic transmission ensures dynamic driving.

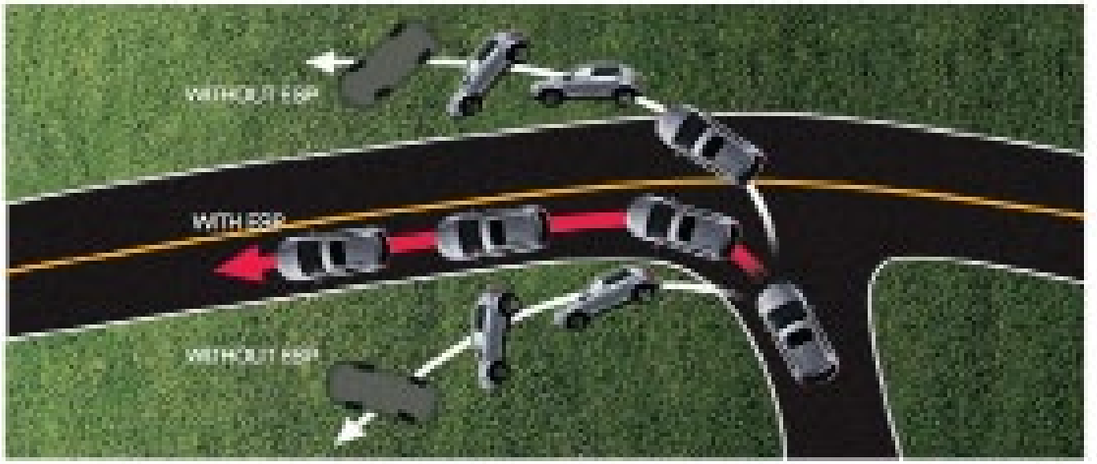

6-SPEED MANUAL TRANSMISSION

Designed for easy and precise shifting, the 6-speed manual transmission equips you with driving without shift shocks.

Safety : the Top Priority

The Korando is designed to provide maximum protection of both the driver and passengers should the unthinkable ever occur.

ELECTRONIC STABILITY PROGRAM (ESP)
The Electronic Stability Program prevents wheels from slipping and the driver from under-steering or over-steering. Incorporated into the ESP are the anti-slip traction, automatic brake differential, anti-lock brakes, active rollover protection, hill start assist and emergency stop signal systems to monitor vehicle and road conditions and intervene when a potentially dangerous situation is detected. The possibility of an accident is reduced dramatically as a result.

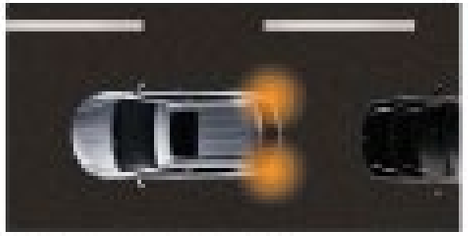

ELECTRONIC ACTIVE HEADRESTRAINT

BUILT-IN 3 POINTS CENTRE SEATBELT

ISOFIX FOR CHILD SEAT

EMERGENCY STOP SIGNAL (ESS)
It warns vehicles at the rear of emergency stops and ABS

HILL START ASSIST (HSA)
It's sometimes tough pulling away when you're facing uphill.

Great Control, Great Ride

Sophisticated drive and suspension systems allow you to drive with confidence and ride in comfort.

Active AWD

Under normal conditions, the Active AWD system provides the most power to front wheels (2WD). However, as road conditions worsen and the wheels start to slip, the electronic control unit transfers optimum torque to the rear wheels.

How Active AWD works

NORMAL ROAD CONDITIONS
Mostly 2WD

SNOWY & ICY ROAD CONDITIONS
4WD for better stability

SNOWY & ICY INCLINES
50:50 Torque distribution front and rear (4WD Lock)

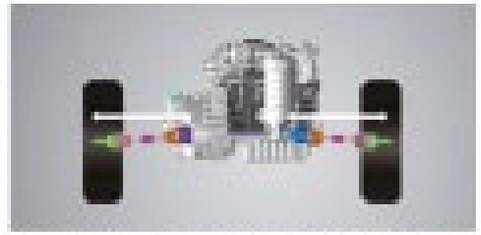

MACPHERSON STRUT FRONT SUSPENSION
Full size frame is applied to offer smooth and comfortable ride.

MULTILINK REAR SUSPENSION
Multiple links diffuse impact and even fine vibrations are dampened for extreme ride quality.

SPEED ADJUSTABLE ELECTRIC POWER STEERING
Steering power is heavily assisted in low speed and lightly assisted in high

Equal length drive shaft is applied for excellent straight travelling stabilization

FEATURES LIST

Mechanical

- 1.5 litre in-line petrol diesel engine with CVVT
- 148ps 2.0L e-XDi diesel engine with DPF (R) (+region)
- 149ps 2.0L e-XDi petrol engine
- Active 4WD
- 6 speed manual transmission
- 6 speed automatic transmission with Sport/Lock/Manual mode
- Macpherson strut front suspension
- Multi link rear suspension
- Electronic stability program(ESP)+(ABS+EBD emergency brake assist+Hill start assist+TCS+ARP, active roll mover)+traction control+ emergency stop signal (ESS)
- Hydraulic power steering
- Electric power steering (EPS)

Seats

- 8-way power driver's seat
- Pumping height adjustable (front 2 seat)
- Lumber support driver's seat
- 60:40 split folding 3rd row seats with folding centre armrest
- Luxurious leather seat upholstery for both class and comfort
- Appealing woven cloth seat upholstery
- Headrests on 2nd row seats

Convenience

- Fully automatic air conditioning with temperature sensor
- Manual air conditioning with mist-proof air conditioning function
- Rear heating duct to enhance climate control effectiveness
- PTC (Positive Temperature Coefficient) heater

Appearance

- Chrome coated radiator grille
- All-around tinted glass
- Solar-controlled sunshroof glass
- Privacy glass (rear door windows and tailgate window) w/ beige interior seat and optimal look efficiency
- Roof rail
- Body colored rear side
- Spoiler w/ applied HMSL high mounted stop lamp
- Acoustic engine cover to dampen noise
- 16" forged silver wheels with 205/60 silica tyres
- 17" alloy wheels with 225/55 silica tyres
- 18" alloy wheels with 235/50 silica tyres
- Illuminated ignition key slot
- Luxury leather steering wheel trim
- Roof rails
- Welcoming light to illuminate the ground area
- Two toned lower mouldings
- Chrome plated dual tail pipe
- Body colored side door handles
- Hybrid blade wipers

Convenience

- Super Vision cluster
- LED side repeater on exterior mirror
- Outside power fold mirrors
- Illuminated PCU in sun visors
- 2-DIN radio system with mp3 and CD player (with RDS for EU region)
- USB memory slot (AVN or 2nd)
- Bluetooth hands-free
- Roof antenna on the rear roof
- Halogen adjustable headlights
- Windshield wiper device
- Rain sensing wipers and automatic headlight activation
- One touch (right/left) turn signal indicators
- Heated tailgate window with timer to defrost before vehicle starting
- Safety glasses opened (rear sliding or tilt), with roof slant to keep the interior cool
- Power window with safety (anti-trap) features
- Remote keyless entry system with panic alarm
- Six speakers including 2 tweeters for high level sound
- Steering wheel audio system controls
- Dual sunvisor type vanities (mirrors)
- Trip computer with outside temperature indication
- 12V DC power outlets under the instrument panel (FRNT) and in the load area
- Exterior door mirrors that can be electrically adjusted, folded and heated
- Mobile antenna
- Digital clock on the dashboard
- Dual gas interchangable shocks
- Camera storage console
- Step on the inside of the tailgate to facilitate cleaning
- Cup holders in the front and rear
- Sun visors with illuminated vanity mirror
- Luggage cover and net
- Useful trolley in the front area
- Illuminator tailgate opening release switch
- Manual tilt and telescopic steering wheel
- Dashboard open box
- Heated steering wheel
- Luggage board hook

Safety

- High integrated semi frame monocoque body structure
- Door impact beams for optimal protection from side collisions
- Dual airbags in driver side assist door and passenger
- Curtain airbags for front and rear passengers
- Side airbags for front passengers
- Active headrest for front passengers
- Reversing warning system with 3 stage alarm
- 4-channel anti-lock braking system
- Front ventilated disc brakes
- Rear disc brakes
- Emergency Stop Signal (ESS)
- Door warning lamps
- Height-level security lock on immobilizer system
- Rear wiper and washer
- Hand-operated parking brake
- Child-proof safety lock
- Automatic opened warning door locks
- Passenger alarm and speed warning feature for front passenger seatbelt
- Rear 3 points seatbelt
- ISO-fix and tether anchorage for child seat
- Electrochromic rear-view mirror
