

THE ALL-NEW RANGE ROVER

ABOVE AND BEYOND

The All-New Range Rover is the most capable Land Rover yet. Lighter, stronger and with new levels of refinement, the Range Rover reinforces its position as the world's finest luxury SUV.

The fourth generation of the unique Range Rover line, The All-New model has been developed from the ground up, capturing the innovative spirit and iconic design of the original, which changed the world of motoring when it was launched over 40 years ago. The world's first SUV with a lightweight all-aluminium monocoque body, 39 per cent lighter than the steel body in the outgoing model, The All-New Range Rover takes the capabilities of the marque's flagship to a new level, with even greater luxury and refinement, enhanced performance and handling on all terrains, and significant advances in sustainability.

Specification The All-New Range Rover

Engine and transmission

Engine	3.0 TDV6 Diesel	4.4L SDV8 Diesel	5.0L V8 Petrol	5.0L V8 Supercharged Petrol
Transmission	Eight-speed automatic transmission			
Power (PS @ rpm)	258 @ 4000	339 @ 3500	375 @ 6500	510 @ 6000-6500
Torque (Nm @ rpm)	600 @ 2,000	700 @ 1700-3000	510 @ 3500	625 @ 2500-5500
Fuel tank capacity (litres)	85	105	105	105

Weight (kg)

Weight from	2160	2360	2200	2330
Max. laden weight	3000	3200	3000	3150

Engine transmission, suspension and driving dynamics

- Diesel misfuel protection device (TDV6 and SDV8 only)
- Adaptive dynamics
- Cornering Brake Control (CBC)
- Dynamic Stability Control (DSC)
- Electronic air suspension (with variable ride height)
- Electronic Brake-force Distribution (EBD)
- Electronic cross linked air suspension with automatic load levelling and multiple modes, access, normal, off-road, extended height
- Electronic Power Assisted Steering (EPAS)
- Electronic stability program
- Electronic Traction Control (ETC)
- Emergency Brake Assist (EBA)
- Hill Descent Control (HDC)
- Roll Stability Control (RSC)
- Reactive grounding response
- Terrain Response® 2
- Trailer stability control

Exterior features and finishers

- Sliding panoramic roof (includes power blind)
- Acoustic laminated, heated front windscreen
- Adjustable, heated, powerfold exterior mirrors with approach lamps and memory with auto reverse dipping
- Auto dimming exterior mirrors
- Rain sensing windscreen wipers
- Adaptive xenon headlamps (includes headlamp powerwash)
- Daytime running lights (DRL's)
- Follow-me-home lighting
- Electrical towing preparation

Interior features

- Semi-Aniline leather seat 'Style 19' (18 way drivers/18 way passenger front seats, front and rear climate seats, massage front seats, adjustable seat bolsters, driver and passenger memory, rear bench seat with load through facility and rear power recline, four way rear seat power lumbar and passenger seat away)

Dimension

Width (mm)	2073/2220
Length (mm)	4999
Height (mm)	1835
Wheelbase (mm)	2922
Approach angle (off-road/standard) (degree)	34.7/26
Departure angle (off-road/standard) (degree)	29.6/24.6
Ground clearance (off-road/standard) (mm)	295.5/220.5
Wading depth (mm)	900
Turning circle (m)	12.3

- Four-zone climate control
- Auto dimming interior mirror
- Customer configurable interior mood lighting
- Cruise control
- Front and rear park distance sensors
- Keyless entry
- Soft door close
- Surround camera system

Safety and security

- Active Speed Limiter (ASL)
- Driver and passenger airbags (side, seat-front, thorax and pelvis)
- Perimetric alarm with engine immobilisation
- Power operated child locks
- Single point entry, customer configurable

Information, communication and entertainment

- Eight inch touch-screen
- Bluetooth® phone connection and audio streaming
- Full TFT/LCD instrument cluster
- Hard Disk Drive (HDD) navigation system
- Meridian surround sound audio system (825W)
- Off-road navigation
- Rear seat entertainment system with touch-screen remote control (includes two sets of wireless headphones)
- TMC (Dynamic Route Guidance)
- Voice control – "Say What You See" intuitive voice control (SWYS)
