

EVOQUE

ABOVE AND BEYOND

Evoque

"With its striking lines, muscular shoulders and tapered roof, Range Rover Evoque sets itself apart from its contemporaries. Whether discovering hidden parts of town or being seen in all the right places, it's always ready for action.

Innovative Xenon lighting with LED signature blaze a clear trail in all conditions and add to the vehicle'sdramatic presence and look. Its new sleeker wing mirrors feature 'hidden-til-lit' side indicators."

Specification

Engine and transmission
